# Provisional annotated agenda

The Executive Board will hear opening statements by the President of the Executive Board and the Executive Director.

## Organizational and procedural matters

**2. Adoption of the provisional annotated agenda, timetable and organization of work**

*For action [E/ICEF/2009/16]*

The provisional agenda has been prepared in consultation with the Bureau of the Executive Board based on the programme of work adopted by the Executive Board at the 2008 second regular session. The Executive Board is requested to adopt the agenda for the session, making any amendments it considers necessary.

**3. Proposed programme of work for the Executive Board sessions in 2010**

*For action [E/ICEF/2009/17]*

The proposed programme of work is based on Executive Board decisions and on suggestions by the secretariat. It has been prepared in consultation with the Bureau of the Executive Board and is presented to the Executive Board for approval. Once adopted, it serves as a framework for setting the agenda for 2010 Executive Board sessions, subject to decisions by the Executive Board and modifications introduced in consultation with the Bureau of the Executive Board.

## Programme and policy matters

**4. Proposals for UNICEF programme cooperation**

**(a) Approval of revised country programme documents discussed at the 2009 annual session**

*For action*

At the annual session of 2009, the Executive Board discussed 16 country and area programme documents (Afghanistan, Armenia, Bosnia and Herzegovina, Botswana, Bulgaria, Burundi, Ecuador, Gulf Area subregional programme, Kazakhstan, Lebanon, the former Yugoslav Republic of Macedonia, Montenegro, Romania, Tajikistan, Turkmenistan, and Uzbekistan). The comments made were shared with the respective country offices and the draft country programme documents were revised as appropriate and posted on the UNICEF website within six weeks of the session. The Executive Board will approve the country and area programme documents on a no-objection basis unless at least five members have informed the secretariat in writing that they wish to bring a particular programme to the Executive Board for further discussion.

**(b) Draft country programme documents**

*For action*

The three draft country programme documents noted below are presented to the Executive Board for discussion and comment, and for approval of the aggregate totals of estimated regular and other resources in the programme budget. In accordance with Executive Board decision 2008/17, the Executive Board was informed of the reasons for deferment of the presentation of these draft country programme documents from the annual session to the second regular session (E/ICEF/2009/CRP.12). The summary results matrix for each country programme document is available on the UNICEF Executive Board website, together with country programme results and performance data consolidated over the previous programme duration. Where applicable, the United Nations Development Assistance Framework results matrices are also available through the UNICEF Executive Board website.

Taking into account the comments by the delegations at the second regular session, these draft country programme documents will be revised and posted on the UNICEF Executive Board website, at the latest, six weeks after the second regular session for further review by the members of the Executive Board. The revised country programme documents will be approved by the Executive Board on a no-objection basis at the 2010 first regular session unless at least five members have informed the secretariat in writing of their wish to bring a particular country programme before the Executive Board for further discussion.

The following three draft country programme documents will be presented by region:

Eastern and Southern Africa
Uganda (E/ICEF/2009/P/L.27)
